DATES FOR YOUR DIARY:

SEPTEMBER
Wednesday 16th
Spelling Bee Final, Assembly & Book Character Parade 12pm
Spinal Muscular Atrophy Fundraiser
LAST DAY OF TERM

Friday 18th

October
Tuesday 6th
School Commences Term 4

Week 10 has commenced with some beautiful warm spring weather, deciduous trees are waking up, the weeping cherries are flowering, the rhododendrons and camellias are blooming, the pansies are flourishing and some students are even wearing their shorts and short sleeve shirts. The grass is continuing to grow and Mr Deeks will soon be mowing. The influenza has certainly hit our school extremely hard this term. Our school is averaging seven students away every day since the end of week 6. Hopefully the school holidays will enable all families to get rid of this horribly flu and commence term 4 on Tuesday 6th October with no sickness.

Wishing everyone a very happy, safe and relaxing holidays.

Assembly
On Wednesday our Book Week Assembly will commence at 12pm. The assembly will commence with a Welcome and Welcome to Country, National Anthem and school song followed by the finals of the inaugural Bald Blair Spelling Bee. Once finalised medals and certificates will be presented. K-2 will then present their class items followed by years 3-6. The assembly will conclude with our school’s 2015 Book Week parade and book presentations. The staff and students are hoping that all families can attend. After the assembly there will be a barbeque kindly provided by the McKemey family in support of Spinal Muscular Atrophy. The cost will be $5.00 each and all students and parents are encouraged to support this fabulous fundraiser. On Thursday all staff and students can wear orange or purple in support of the hideous disease. All money raised will hopefully allow researchers to find a cure for Spinal Muscular Atrophy.

Happy Birthday to Bridget McKemey & Muhammad Elyassa who have both turned 9.
