**End of Term Assembly/Talent Show**
Each class will be presenting two items that involve all students from K-6. This year the Talent Show is NOT mandatory, however, those students who have been practising will audition next Thursday at school and students will be chosen to perform at the assembly. Their item will be a maximum of 2 minutes.

**Heart Talk**
Last Tuesday we had the privilege of having Mrs Waters and Mrs Kennedy from Medicare Local come to Bald Blair and talk about the heart. Students learnt about the function of the heart and the importance on keeping it healthy by following three simple steps: Drinking water, exercising daily and eating vegetables and fruits daily.

**IMPORTANT!!! Bull Sale Catering Dates:**
- **Tuesday 4th August** - Bald Blair
- **Wednesday 5th August** - Wattletop......

**Major P&C Fundraiser**
**Active Sports**
This term students have started active sports and we are learning how to play bowls. Unlike last year active sports is going to be done through school times to ensure all students are able to participate. Students will be involved in numerous activities to enhance their bowling skills.

**Guyra Excursion K-6**
Last Wednesday, the students from Bald Blair Public School visited Guyra for a walking excursion. On the day, students visited the train station where the senior students had a ride on the train and looked at all of the old collectables and the museum where the students looked at local memorabilia. The K-2 students visited the Town Library for the National Simultaneous Story-time. All students then visited the Police Station and looked at the cells and breathalyser, the Post Office and learnt how mail gets sorted, the Fire Brigade and looked through the truck and fire gear. Our last visit of the day was to the Ambulance Station where students got to learn about the stretcher, the blood pressure monitor and the defibulator. It was a great day and everyone had an excellent time.

**What's Cooking With Years 5 & 6.......**
On Wednesday, 3rd of June, we prepared and cooked pumpkin soup with Miss Shipway and we also whipped up 122 chocolate coconut balls for dessert. Everyone enjoyed the soup, even the teachers! The chocolate coconut balls were also a big hit. We decided to make this for our recount writing tasks in class. At the moment we are all writing our recounts about cooking and preparing our lunch.

**This week's awards: L-R:**

Wacky Science
Wednesday’s With Chelsea Lyon

On Wednesday I did mock rocks for my science experiment. You need two cups of warm water and one tablespoon of epsom salts. Stir it until it has dissolved then add two different colours of food dye. Tip it in the egg shell halves and freeze it.

Could you please ensure your child/children wear or bring a jumper to school. A number of students are coming to school without warm clothing. Students may wear their warm jackets, beanies, scarfs etc when it is cold. Please ensure you have their name clearly marked on clothing.

Good Luck to Bridget McKemey is will be travelling to Coolah next Friday to compete in the PSSA Cross Country.

Have a fantastic & safe long weekend!
